## Profile

---

A passionate and enthusiastic 22-year-old undergraduate software engineering student at the Open University of Colombo. I am self-motivated, adaptive, and always eager to learn new technologies. Committed to continuous improvement, I aim to contribute to a forward-thinking company through real-world experiences, innovation, and dedication.

## Education

---

**Open University of Sri Lanka**  
**B.Sc. (Hons) in Software Engineering**  
*Dec 2024 – Present*

---

### D. S. Senanayake College, Colombo

G.C.E. Advanced Level (2022) – Physics Stream  
**Physics – S | Combined Maths – S | Chemistry – S**

G.C.E. Ordinary Level (2018)  
**English – A | Maths – A | Tamil – A | Health Science – B**  
**Islam – A | Science – B | Commerce – A | History – B**  
**Tamil Literature – B**

## Projects

---

**Responsive E-Commerce Website | HTML, CSS, JavaScript**  
Designed and developed a responsive e-commerce website with features like a dynamic shopping cart and user authentication.

**Performance Testing | JMeter**  
Performed load and performance testing for a tourism website backend.  
Used Apache JMeter to test system behavior under multiple user loads.  
Analyzed throughput, response time, and error rates to improve app stability.

**Library Management System | Java, MySQL**  
Created a library management application to automate book borrowing and return processes using Java and MySQL.

**Mobile App UI/UX Design | Figma**  
Designed and prototyped a mobile fitness tracking app, focusing on user-friendly and modern design principles.

## Portfolio

Developed a responsive portfolio website to showcase my skills and projects in a way that provides a comprehensive view of my expertise and experience.

---
